Notes

Fall Enrollment data is as of 10/31/2021 and include all enrolled students regardless of course registration or leave of absence status.

Ethnicity is only reported for US citizens and resident aliens (green card holders), all others (foreign students with or without a student visa) are classified as non-US citizens. This is independent of their country of residence.

Retention data is as of 4/27/22.

Entry and exit cohorts are calculated using an academic year (September 1 – August 31).

Time to degree excludes time in any prior program at Fielding or elsewhere. It also excludes withdrawal periods but includes leaves of absence.

Absence of data should be interpreted as zero.
