# Anniversary Celebration

Join us on Thursday, May 2, 2024 in Washington D.C., we will host a 50th Anniversary Luncheon commemorating Fielding’s five decades of innovation and passion as a premier institution of adult education.

This celebration will bring together scholars, advocates, and visionaries to explore the theme: Democracy and Social Justice at the Crossroads. This event is a tribute to Fielding as a thought leader, as we seek to explore the larger questions of democracy and racial justice for our students and alumni, for our nation, and for the world.
